Total Bid Amount	USD 2,336,400.00	USD 2,395,800.00	USD 2,277,000.00 (Lowest)

AI Copilot Procurement Recommendation

Recommended Vendor: Jubail Polymers

Jubail Polymers is recommended as the primary supply vendor for this order. They offer the lowest unit price of **USD 1,150.00/MT**, saving USD 59,400.00 over SABIC Polymers and USD 118,800.00 over Borouge. Although their lead time of 14 days is longer than SABIC (7 days) and Borouge (10 days), our required delivery date is July 24, which allows sufficient buffer for Jubail Polymers' delivery schedule. Jubail Polymers also maintains an outstanding vendor rating of 4.9/5.0 and 98.5% delivery reliability, representing the lowest overall supply risk.

Financial Savings Analysis

- Cost under Borouge proposal: **USD 2,395,800.00**
- Cost under SABIC Polymers proposal: **USD 2,336,400.00**
- Cost under Jubail Polymers proposal (Recommended): **USD 2,277,000.00**
- Net Cost Savings over Borouge: **USD 118,800.00**

• Net Cost Savings over SABIC Polymers: **USD 59,400.00**
